Curriculum Guide Sample
Section 1 Overview
This sample file is used by unit tests to verify that the PDF parser can extract a text layer from a document.
It contains no third-party content.

Section 2 Learning Targets

Students should be able to describe the main features of the period under study and explain how the events are connected. They should also compare different interpretations of sources.

Section 3 Assessment

Assessment focuses on the use of evidence, causal reasoning and the ability to organise an argument in writing.

Teachers may adapt the suggested activities as needed.
